

Discipleship

We encourage people to seek and deepen their relationship with God, by identifying and promoting opportunities and tools for people to grow in numbers, faith and giving. If you would like to know more, or get involved yourself, please contact a member of the team!

Mike Taylor (Team Leader)

The discipleship team continues to be involved in home groups, the Vision Sundays and the Lent course. It was pleasing to see such a large number of people attending the Lent course, leading to additional sessions being added to accommodate the increase in numbers!

There has been growth in the home groups, and there are now three groups which meet regularly throughout the year.
