

Worship

We plan and manage all Sunday and Wednesday services, including music, songs and sermons. If you would like to know more, or get involved yourself, please contact a member of the team!

Rev'd David Brewster (Team Leader)

Worship is at the centre of what we do as a church, as we seek God together. On Sundays we have the choice of an early service of formal communion; a later, less formal second service, usually with children's clubs; as well as communion on Wednesdays.

Our monthly Whole Parish Worship allows for every member of our church to join together for communion. Time for coffee and fellowship between or after services is much valued, and offers a chance to build relationships with old friends and new.

Our worshipping life continues in the many groups of our church, our service in the community and our lives outside of church.

We are grateful to all who contribute in any way to our worshipping life - that means all of you!
